

360 degree visibility to your business

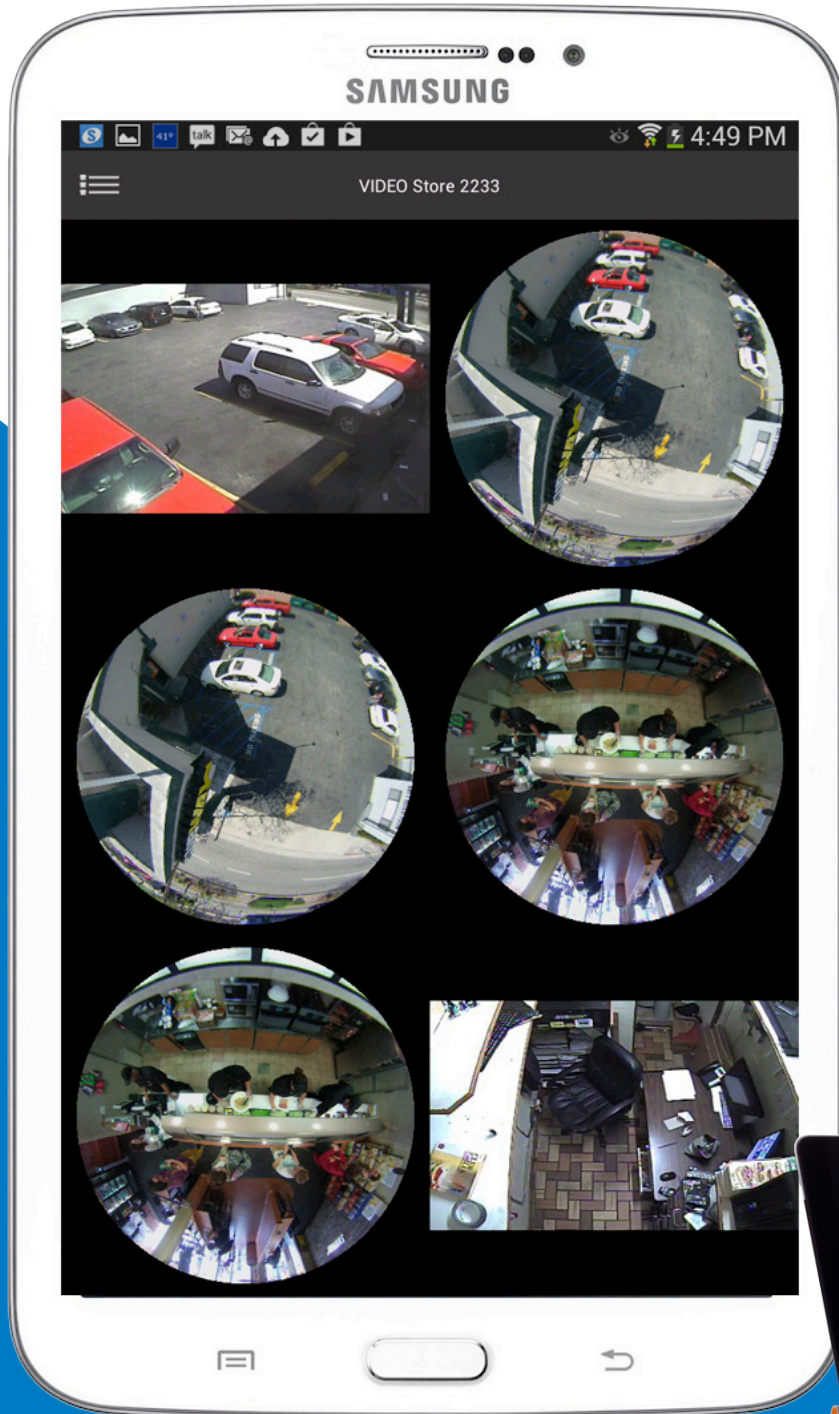

360iQ is a huge part of our day-to-day business. Each of us is equipped with iPads and 360-iQ mobile software that enables us to be in the different stores at once on the go. We are able to pop in and see where the problem of the day is and attack it.

**Eric Portnoy, Owner/operator
25 Dunkin' Donuts stores**

AVAILABLE ON

THE ONLY MOBILE APP YOU WILL EVER NEED TO MANAGE YOUR BUSINESS, ANYWHERE, ANYTIME

- ▶ Dashboards to manage your enterprise, store and sales in real-time
- ▶ Alerts dashboard
- ▶ Real-time sales tied to live video and receipts
- ▶ Transactions text overlay
- ▶ Ability to record and archive video
- ▶ Map with live sales indicators
- ▶ Cooler and freezer monitoring
- ▶ 360 degree total awareness camera with revolutionary pan, tilt and zoom possibilities
- ▶ Multi camera view on one screen

360iQ utilizes the smoothest pan, tilt and zoom cameras available on the market.
